

We are proud to present **Glorious Claps by Cloudy Samples** - nuanced, expressive collection of claps, snares and foley sounds, meticulously designed to enhance the depth and atmosphere of your chillstep, ambient and downtempo grooves. This collection blends organic warmth with intricate sonic detailing, offering an array of percussive sounds that seamlessly integrate into delicate, flowing rhythms or stand out as emotive focal points.

From crisp, tight transients that provide a solid rhythmic backbone to pre-shifted variations that introduce an effortless human feel, every element has been sculpted for maximum musicality. Subtly textured foley layers add an intimate, tactile dimension, evoking natural spaces and organic imperfections, while expansive atmospheric treatments dissolve into lush reverberant tails, creating a sense of space and motion.

Whether you're building dreamy, ethereal beats or deep, meditative grooves, this pack delivers a versatile selection of meticulously recorded and processed claps, ensuring every hit enhances the emotion and depth of your track. Split and slice your sounds to create a perfect snare.
