

# GRIME RITUALS

BANGER SAMPLES

“Grime Rituals” by Banger Samples is a dark ritual of sound that combines raw beats, industrial textures, and the grim energy of the streets. This pack is designed for producers seeking an authentic UK grime sound with a modern approach and ritualistic depth.

Inspired by such titans of the genre as Skepta, Wiley, Flowdan, JME, Novelist, D Double E, Ghetts, and Kano, this pack captures the spirit of grime as a ritual—aggressive, streetwise, yet thoughtful and atmospheric.

Use “Grime Rituals” to create tracks that sound like a challenge—direct, dark, and charged with the energy of the underground!
