

“Groovie Techno” by Banger Samples is a vibrant and energetic techno sample pack with rich rhythms, melodic synths and dynamic effects, creating an atmosphere of fun and movement for punch rave tracks.

Inspired by artists such as Jay Lumen, Eli Brown, Bart Skils, Thomas Schumacher, Anna Reusch, Danny Avila, Nicolas Taboada, Dok & Martin, and many more.

The pack contains both ready-made loops and individual samples, which makes it easy to combine and experiment with different sound textures.

Update your work sessions with fresh sounds inspired by the latest trends in electronic music right now!
