

Low-end grooves, jacking beats & percussion, slamming drum fills, tripping acid sounds, analog arpeggios and synths – 2nd installment of Grooving House has arrived!

Jam-packed with 850Mb+ of sounds and samples, Grooving House 2 features sub-based loops, influential break-beat workouts, driving beats, glitch percussion, dark sequencer loops, classic stabs, raw acid & synth loops. This collection also contains key labeled kicks, additional clap & hat loops, synth one-shots and last but not least – large collection of drum hits.

From modular synth progressions and saturated beats to underground acid trippers – Grooving House 2 offers a wide array of sounds for underground inspired productions!
