

'Hands up Kicks Vol 3 (baltic audio Edition)' by CESA SAMPLES includes 32 presets for Sylenth1 capturing the sound of modern Hands Up and harder styles like Hardstyle and Hypertechno. You'll find hand-crafted leads, basses, arpeggios and more.

All presets and sounds which you can find in the pack are professionally mixed and ready to use, made with incredible precision, quality and recognizable sound.

This edition includes only the presets and does not contain any samples or loops, which explains its reduced price!

Popularized first in Germany Hands Up started spreading into rest of the European countries and world with artists such as:

Rob Mayth, Manian, Jens O, TI-MO, Special D, Groove Coverage, Basshunter, Paffendorf, Cascada, Dj Gollum, De-Grees, The Hitmen, Darude, and many others.

If you are looking for modern dance sounds, the Handsup Kicks Vol 3 (baltic audio Edition) is a must have!
