

“Helion Bass & Electro House” comes with a new dose of energy and inspiration, bringing you 4 fresh construction kits, punchy kicks, specially selected claps, groovy loops on 126 BPM and fat bass oneshots (all on C root to make things easier).

All construction kits are on 126 BPM and they include root key, they were inspired by tracks from OWSLA artists like JOYRYDE, Valentino Khan, or Chris Lake.

We are sure that you will love this pack, and it will bring your own productions to a higher level. All samples in the pack are Royalty-free.

Product Includes:

- 20 Bass one-shots (C root);
- 4 Constriction kits (with root key)(126 BPM);
- 10 claps;
- 10 Kicks;
- 10 Drumloops (126 BPM).
