

We present to you Helios! A Piano House project template featuring influences from artists such as BICEP, MK, Blonde, DJOKO, and more.

Helios follows the classic roots of House music, with a catchy piano melody. We also give you exclusive secrets behind the sounds, with production tips from the producer behind this pack.

The template contains top quality audio loops, one-shots, MIDI, Spire and Massive presets. From this template, one can learn how to create those catchy basslines and top melodies, grooving drums, as well as several mixing & mastering and creative techniques.

This template is exactly what you need if you are looking to improve your electronic music productions. Feel free to play and learn around the project...
