

Experience the exhilarating nostalgia of the 90's era with our latest sample pack of "90's EuroDance" by HighLife Samples. Dive into the infectious beats, catchy melodies, and euphoric vibes that define an entire generation of dance music.

Crafted with meticulous attention to detail, this royalty-free sample pack encapsulates the essence of the Eurodance sound, delivering everything you need to create authentic tracks that transport listeners back to the heyday of dance music.

Inside, you'll discover 5 construction kits, designed to capture the essence of the genre. These kits are conveniently organized into separate folders, making it easy to navigate and find the perfect elements for your productions.

At the heart of "90's EuroDance" are the mesmerizing female vocals, featuring both wet and dry versions along with harmony vocals, allowing you to add that iconic vocal flair to your tracks effortlessly. Whether you're looking for soaring hooks or infectious chants, these vocals will instantly elevate your productions to new heights.

But that's not all – the pack also includes WAV's of bass, drum, FX, synths, and MIDI files, giving you unparalleled flexibility and creative freedom.

To ensure maximum usability, all files are labeled with key scale and BPM, making it easy to integrate them into your projects without any hassle. Whether you're a seasoned producer or just starting out, the "90's Eurodance sample pack" provides everything you need to unleash your creativity and capture the magic of the iconic Eurodance sound.

What's more, everything you get is royalty-free! Buy once and use in any of your projects in as many combinations as you want. It is compatible with all DAWs and suitable for genres such as Eurodance and Dance.
