

Pack Description:

There's nothing like a professional vocal to top off a catchy tune, and we know it! Planet Samples is always ahead of the curve, bringing you a pack full of soulful vocals and heavenly harmonies!

Planet Sample Acapella Song Vocals is here to help you to add fresh vocals into your tracks.

This is a pack you definitely don't want to miss! In it you will find 3 vocal kits, with professional, completely fresh, female vocals – dry, wet, and back vocals – as well as our own proposed composition to match each vocal. You can find full song vocals with verse 1, 2, choruses plus the melodic midi files of top melodies, bass and chords.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for more genres than you can imagine.

Please note: the sounds from the demo songs are not included on this vocal sample pack. In this pack you will find only vocals and midis.

Pack Content:
