## Pack Info:

Trance MIDIS, the latest pack from HighLife Samples, will provide producers with the most wanted MIDI files and best Spire Vst Presets needed to get their tracks to the top of the charts!

Includes 125 MIDI files of Arp melodies and Chord melody progression. All files are royalty free to use in your music productions without any restrictions. 50 Spire presets of Arp, Lead, Bass, Pluck, Pads, FX and Drum presets have been extremely squeezed for a maximal impact on your latest EDM dance track.

All MIDIs and Presets are usable for all EDM genres, like House/Electro/Progressive/Dubstep and many more.

Everything you hear in the audio demo is 100% from included MIDI files and Spire sounds, with the exception of the some FX and Impact Drums.

You need Spire Vst instrument version 1.0.1.7 or later. All the MIDI files are compatible with all DAW's.
