

Planet Samples – Vocal Hook is a royalty-free vocal sample pack that features both male and female vocals. The sounds included are in WAV format, MIDI files, and dry and wet versions of the vocals. All of the samples can be used for music production and audio post-production.

With this one pack, you are able to create dope tracks for your pop, future bass, or dance tracks on the fly. All files are labeled with key scale and tempo 128, 138. All files work out of the box without any additional work. Just drag and drop inside your DAW and you'll be ready to go.

We provide you with high-quality, professional vocal hooks that you can use in your productions and compositions. Planet Samples Vocal Hook gives you all the tools to make your own hits!

Check out the MIDI files for a great example of how the bass, lead arp, and chords were created. You can tweak, play around with, and change the tempo, key signature, or even individual notes to make it perfect for your track project.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Pop, Future Bass, and more.
