

Step into the golden age of the 90s with EuroDance Vol.2 by HighLife Samples. Designed for both seasoned producers who lived through the Eurodance era and modern creators inspired by its iconic sound, this royalty-free sample pack has everything you need to create chart-topping 90's-style tracks.

Inside, you'll find an extensive collection of WAV loops featuring drums, basslines, FX, and synths to lay the foundation of your tracks. Full acapella vocals are included in both dry and wet versions, allowing you to customize them to your production style.

For melodic instruments like melodies, basslines, and chords, MIDI files provide endless possibilities for tweaking and personalizing your sound.

Whether you're reviving the vibrant energy of the 90s or fusing its essence with contemporary music, EuroDance Vol.2 is your ultimate toolkit. All samples are royalty-free, so you can use them in any personal or commercial project without restrictions. Relive the magic of Eurodance and create your next big 90's style hit today.
