

Introducing Tech House Essentials, the royalty-free sample pack every electronic dance music producer needs in their arsenal. This pack includes 24-bit WAV loops and MIDI files for every melodic instrument, giving you full creative control over your tracks.

With drum hits included, you can easily create your own custom drum loops to match your unique sound. But that's not all, Tech House Essentials also comes with Serum presets, allowing you to take your sound to the next level.

Crafted with the utmost attention to detail, this pack is designed to help you elevate your productions professionally. Whether you're a pro producer or just starting, This sample pack is the ultimate must-have for any electronic dance music enthusiast.

Please note: For Synth presets, you will need Serum 1.357 or higher.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Progressive House, EDM, and more.
