

'Trance MIDI Melodies' by HighLife Samples delivers quality fresh Trance MIDI files for producers who want to get instant inspiration for their music productions.

These melodies can work forthwith out of the box and give your track extra energy and attention to the listener's ears. Start to write your own melodies in minutes, assign your own favorite VST instrument or hardware of your choice, all this without any audio limitation.

This trance midi pack brings 20 melodies in wav and midi format. All files are BPM and key labelled for ease navigation. Just import the midi files inside your DAW and even use them as they are or edit the midi files and make your own personal melodies for an instant uniqueness.

So if you're influenced by producers like Armin Van Buuren, Ferry Corsten, Above and Beyond, Daniel Kandi and other, then these MIDI loops will help you to take your track to the next professional level.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Trance, EDM, Progressive House and more.
