

HighLife Samples Trance MIDI Melodies Vol.4 delivers great Trance MIDIS and WAV files melodies for Trance producers who want to get instant inspiration for their music productions.

These melodies are ready and can work out of the box, giving your track a professional melodic start point. You can edit the midi files and create brand new melodic ideas in minutes, assign your own favorite VSTi instrument or hardware of your choice, all this without any audio limitation.

If you are influenced by producers like Armin Van Buuren, Ferry Corsten, Above and Beyond, Daniel Kandi and others, then these MIDI loops will help you to take your track to the next professional level.

What's more, everything you get is Royalty-Free! Buy once and use in any of your projects in as many combinations as you want.
