

'Uplifting Trance Melodies' by HighLife Samples brings top-quality Trance melodies for trance producers who want to get instant inspiration for their music productions.

These melodies will help you to take your trance track to the next level. Can work forthwith out of the box and give your track extra energy and attention to the listener's ears.

Midi files will help you to write your own melodies in minutes, assign your own favorite VST instrument or hardware of your choice, all this without any audio limitation. You can edit the midi files and you can create your own unique trance melodies.

Or drag and drop the wav melodies inside your DAW and work from there by slicing, pitching up, and down until you have the desire results.

You can find 20 folder Kits included Midi and Wav files, all files are BPM and key labelled for easy navigation.

What's more, everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want. Compatible with all DAWs and suitable for genres such as Trance, Psychedelic Trance, EDM, Progressive House, and more.
