

Exotic Refreshment are proud to present 2nd volume of Deep Melodic Exotics by Himbrecht (Natura Sonoris, Subjekt / Armada, Nie Wieder Schlafen, Chocolat), an electronic music producer from Romania!

A few words from Himbrecht himself: "This pack takes a slightly different approach by trying to maximize and capture the quirkiness of digital synths.

Expect loads of texture and weird progressions ready to get your creative juices going."

Vol. 2 is bigger than the first volume and includes 572 MB of Arp Loops, Basslines, One Shots, Pad Loops, Synth Loops, Top Loops and 6 construction kits ready to use in your next underground productions.

You can use all files in Apple Logic, Ableton Live, Pro Tools, Cubase, FL Studio or any other DAW.

Package Contains:
