

Soundclan – Homecoming (Uplifting Trance Template).

Soundclan Music are glad to present a soulful and melodic uplifting trance track with full analysis in a unique template.

This is a brand new template for FL Studio, created in styles like euphoric trance uplifting. Nice and catchy melody, powerful drum part and drop in the style of festival hits such as John O'Callaghan, Simon Patterson, Manuel Le Saux, Aly & Fila, Ferry Tayle and many more.

A completely ready-made template in which you will learn how to easily create bright and fat leads and bass lines, pads and plucks melodies and effects.

You will learn how to process and EQ parts and instrument groups, apply effects and mix them.

No complications.
