

House Bangers Vol.2, its a sample pack for house music producers. Designed to deliver maximum impact, this pack includes 5 high-quality construction kits that are perfect for crafting professional-sounding House, Tech House, Deep House, and Mainstage House tracks.

Each kit is loaded with 24-bit WAV loops, including punchy drum loops, groovy basslines, melodic synths, catchy leads, and FX, everything you need to build a full track from start to finish. All loops are with bpm tempo, and key-labeled for quick and easy integration into your DAW.

Take full control of your sound with the included MIDI files for all melodic elements such as chords, bass, and leads. Easily customize melodies, change instruments, or create entirely new variations while keeping the original musical flow.

For even more flexibility, Serum presets are provided for the main instruments, giving you full access to the core sounds used in the pack.

For Serum presets you will need 1.368 or above.

Whether you're starting a new project or looking to boost your sample library, House Bangers Vol.2 is a must-have resource for any serious house music producer. All sounds are 100% royalty-free and ready to use in your next chart-topping production.
