

**'What About: House Vocal Chops' is a futuristic and extremely useful pack by W. A. Production aimed for all House, Tech House, Deep House, Future House, Progressive and Minimal producers. The pack contains 50 key labelled loops and 85 one-shot samples that will bring the proper vocal feeling right to your mixes.**

If you are looking for something extra and you want your tracks to sound different and professional, do not miss this product.

Vocal cuts, loops and chops are enormously popular by nowadays producers from Spinnin' Records, Protocol, Mucial Freedom, Revealed and others.

With 'What About: House Vocal Chops' you can create your own loops, or use those that have been carefully prepared for you. Also provided are the dry versions of all loops which brings you even more freedom for your productions.

Together with all of this is one tutorial with FLP, presets and samples used inside.
