

We bring you the trending genre of Downtempo and Lo-Fi Hip Hop tracks, inspired by artists like Flying Lotus, Flume, Jinsang, Sam Gellaitry and many others.

You'll find audio loops and one shot sounds including, downtempo glitched strings, nostalgic dusty Keys and soulful leads. Some 8bit synths, analogue FX noises, electrical buzz and vinyl cracks that adds texture and grit.

This template will help you improve your music production skills, because our template is all marked and easy to use. We also included a producer's handbook with exclusive production tips.

Specification, depends on the purchase option:

- 1x Ableton Live Project File
- 1x FL Studio Project File
- 1x Logic Pro X Project File
