

Highlife Samples is gearing up for Hybrid Warfare and, as always, is equipping you with the most explosive, mind-shredding, face-melting and jaw-dropping acoustic arsenal!!

It's time for Hybrid Trap Weapons.

Trap is a genre that has made its way onto the EDM scene with a bang, along with its deep rumbling basskicks and crispy hats and snares. This pack brings it all to the table, with 5 high quality construction kits that are guaranteed to make the Mainstage.

Included are all the wav loop files, including kicks, claps, leads, bass, fx and vocal chops. Besides that, you will find midis for all instrumentals and bass. Drop them into your next project, mix and match or just get inspired and it is guaranteed you will have the next big hit!

This pack is definitely something that has been missing from your samples library and, of course, we never fail to deliver.

Everything you get is Royalty Free! Buy once and use in any of your projects in as many combinations as you want, in as many genres as you like. Compatible with all DAWs and samplers.
