

Are you a trap, dubstep or riddim producer?

Every full or part time producer needs useful presets, so we decided to make 80 fresh Serum presets, suitable for styles like riddim, trap and dubstep.

To give you even more flexibility, we added a folder with 80 massive sounding trap Drum sounds.

No more endless looking for the right Riddim or Trap preset or Drum one shot as here is your new pack: Hybrid Trap Tools.

Hybrid Trap Tools contains:

80 Serum Presets:

808's - x10

Bass - x24

FX - x5

Leads - x21

Plucks - x10

Sequences - x10

80 Drums

Kicks - x20

Snare - x20

Hihats - x20

Claps - x20

Synth Presets Compatibility:

- Please Use Xfer Serum 1.2.1b4 Or Higher.
