

We all love House Music, Don't we?

Audentity Records presents: I love House Music, a new sample pack with the sounds of the 80's, 90's mixed with a fresh 2019 touch.

Energetic, Pumpin, Musical Synth & Bass loops, One Shots, Midis & Construction kits are included in this production tool and are waiting to be released in your new hit record.

Just drop the loops, midis or one shots in your DAW or sampler and start producing.

Suitable for genres like: such as House, Tech House, Deep House, Underground Vocal House and many others.

In this pack, we also included all of the Vocals & Vocal Chops, in dry & wet versions!

I love House Music sample pack contains:

Vocals & Vocal Chops (Wet & Dry)

20 Construction Kits

35 Midis

556 Vocals & Chops
