

EDM Sound Productions proudly presents 'Ibiza Tech House', a collection of fresh new sounds inspired by the vibes and groove of the magical island which never sleeps, Ibiza.

With the summer season going in full effect, our brand new sample pack offers you a collection of sounds, from groovy-tech baselines, dark moody chords, drum loops and drum hits and also FXs and vocal loops.

All loops from this pack have key/tempo information and for bass/synth loops we also provide MIDI.

Everything you need to freshening up your productions you can find in this pack.
