Freak Music proudly presents the "Illusive" - collection of dark ambient sounds perfect for your next murky production. It is a brand new collection of gorgeous dark samples, sounds, pads, loops, SFX, matching drums and drum loops, perfectly selected multisamples and a lot of more content ready to build and boost your next production. You are getting absolutely all melodic content corresponding to MIDI Files, so you have an unlimited possibilities to change the tempo, velocity or key, so combination with synth multis included is giving you the maximum flexibility.

This immense product comes with hundreds of sounds designed for producers of ambient, chillstep, dark ambient and acid genres. Drop fresh new content directly into your projects or chop and splice for creative inspiration & ideas. Get that slick pro-sound straight out of the box and take your productions to the next level!

All of the content is 100% royalty-free, so once purchased, you can use these sounds in your commercial releases without having to pay any hidden costs.

Please note: To access presets, you need Reveal Sound's Spire v1.1.4 or above.
