

AS017 / InSPIRE - Trap & Bass

ProZone Series ft. The Golden Toyz

ProZone Series are back with a collection of Trap, HipHop & Bass sounds designed to assault the dancefloor!!!

“InSPIRE - Trap & Bass” by **Audiozone Samples** include 50 freshly crafted presets produced by **The Golden Toyz** for the new powerful synthesizer **Reveal Sound SPIRE**.

All these patches have been designed for quick intuitive editing and creative production.

You will find here **Bass, Lead, Drum, FX, Keyboard, Pluck, Synth, Sequenced, Pad** and everything you need to produce high quality music!

This collection is 100% suitable for producers of Trap, Bass Music, HipHop, EDM, Twerk, Dubstep, Drum & Bass, Grime, Electro, Complexro, Breaks, Electronica, Glitch, Dub and more...

This release have been created by the Dj, Producer & Sound Engineer The Golden Toyz, one of the best Italian Trap’s artist.

His track “Favelas” feat. Aquadrop was re-edited by **RL GRIME** and has reached more than 2.5 millions views on SoundCloud.

In 2016 TGT released the official remix of “Mollami” by Gue Pequegno (italian VIP rapper) for **Universal Music Italy** and he is currently working with **Doner Music**, one of the best label in EDM, Trap & Bass Music in Italy.

So if you like the Bass Music and Spire is your synth, this is the right collection to produce your next track!!!
