

Incognet are proud to present you Groove Percussion Samples.

This time we decide to concentrate on lots One shots, Percussion Loops, + 5 construction Kits, so you will have full control.

This pack inspired by Sosumi and Groove Cartel labels and such artists like Kryder, Drop Depratment, Tom Staar, Eddie Thoneick, Merk & Kremont, Sebjak, Axwell, Rob & Jack, Sosumi, FMR, Drop Department ect.

With over 870 Mb and about 750 Wavs you will get:

- One Shots folder (61 Kicks, 46 Percussion, 94 Toms, 66 Claps + Snares, 26 Fx, 37 Hihats)
- Percussion And Drum Loops folder (135 Loops)
- Stabs (67 files)
- 5 Construction Kits (from 124 to 128 bpm)

And all with highest quality, modern sound and as a proof - support of last track of Incognet in Kryder radioshow - Kryteria 084.

So be sure its one of the best collection of groove percussion.
