

CAGE AUDIO presents Industrial/ EBM 356 patch collection for Reveal Sound Spire.

356 High quality crafted and hard edged patches for industrial/ EBM (electronic body music)

Basses
atmospheres
sequences
keys
drums
percussion

100% Royalty-Free.

Created by a three + decades long veteran industrial/EBM music producer.

A valuable tool for Industrial/EBM, dance music and even soundtrack/ game/ content creators.

All music in demo including drums are from Spire VST multitracked. Only effects used are slight EQ and compression/ limiting.

Requirements:

Reveal Sound Spire synthesizer Version 1.5.11 Or Higher.
