'Industrial Techno' delivers an expansive collection of sounds for Dark and Hard Techno productions.

Packed with 1 Gb of essential Hard Techno loops this collection features rough bass loops, dark atmospheres, heavily distorted beats, dirty melodics, tech-driven top loops and more.

Taking inspiration from massive underground and warehouse raves – 'Industrial Techno' captures the best vibes of raw, dirty and highly energetic Techno.

Recorded in pristine 24-bit WAV and Rex2 formats – 'Industrial Techno' is ready to be loaded into any DAW or sampler.

Powerhouse sounds for any underground Techno producer!
