

The official follow up of our best seller "Jack Ultimate" has finally landed.

Jack Ultimate 2 has the same filthy and big sounding samples and even goes a few steps further with one of the biggest Drops ever produced for a Trap pack.

As expected from Audentity Records, we spend a lot of time on every detail on both the breaks and drops by creating the most powerful sounds and loops to make sure you release your next Trap anthem on the biggest labels.

7 FULL Construction Kits with all the midis, presets ,one shots, loops and we even included dry stems to make it as flexible as possible.
