KWONE presents its new "Progressive Trance Vol. 1 " Ableton Live Template.

If you are producing Big Room / Progressive Trance in Ableton Live and would like to learn new tricks, get inspired and/or improve your sound faster, Progressive Trance Vol. 1 (Ableton Live Template) is for you. This template was created by talented producer KWONE. Studying this project file will give you a great insight into the processing of individual channels and mixing modern big room / progressive trance in FL Studio, through the use of layering, equalization, compression, delay, reverb and more. This template comes loaded up with full arrangement (as heard in the audio demo), mixing settings, FX chains, MIDI data, and automation.

PRODUCT DETAILS :

The Ableton Live template as heard in the demo
All MIDI and Audio channels with FX chains and mixing included
All the MIDI files included
All the Audio files included
All the Synthesizer presets included
All sections (basslines, leads, FX, drums) are color-coded and named correctly so you know exactly what you are looking at.
High quality modern sounding production
Sounds exactly like the audio demo
100% Royalty-Free
