If you are producing Modern Trance and looking for melody inspiration, KWONE – Trance MIDI Essentials Vol.1 is for you. This is a set of 29 ORIGINAL MIDI files (Leads, Pads, Plucks, & Subs) contained in 10 MIDI construction kits made specifically for trance, created by talented artists and sound designer KWONE. It is a huge resource for music creation and embodies melodies and riffs.

PRODUCT DETAILS:
• Includes 10 MIDI Construction kits (as heard in the audio demo);
• 29 MIDI files in total (leads, plucks, pads & subs);
• Includes 29 bonus synth presets (29 Spire Presets + 7 Sylenth1 Presets);
• Beautiful chord progressions and exciting trance leads;
• 100% royalty-free, so you can use the MIDIs in your productions;
• A full audio demo.

Requirements:
Reveal Sound Spire synthesizer Version 1.5.10 Or Higher;
Lennar Digital Sylenth1 Version 3.067 Or Higher.
