

'What About: Latino Vocal Shouts' is a brand new and exclusive vocal collection by W. A. Production. Inside this product you will find 219 precisely crafted and effected vocal samples and loops created for all EDM/Melbourne Bounce freaks.

This pack has been inspired by vocal shouts known from artists such as Deorro, Dirty Audio, KSHMR, TJR, Will Sparks and others.

In detail you will find 63 dry and 156 wet samples fully prepared to bring some crazy atmosphere right to your mixes.

Samples inside the pack are divided into following folders:

- Dry Samples
- Wet Samples
- Dirty FX
- Loops

All vocals were made by professional Latino/Cubano vocalist, recorded in an LA studio.

Each vocal loop has been carefully effected using cutting-edge production techniques to provide you with a range of compressed, distorted, chorused and pitch shifted vocals.

Also included is one 'How to Vocal FX' tutorial and FLP project with samples.
