About Leroy

When he isn't playing metal riffs or crafting meticulously detailed charcoal drawings, Leroy Moreno is producing some of the most uplifting bangers you've heard in the last few years!

Shortly after his first few releases on Paul van Dyk's VANDIT Records, he had the honor of being cited in DJ Mag by Paul van Dyk as the "Breakthrough DJ/Producer of 2016." To top it off, Moreno's massive collaboration with Paul was featured on PvD's groundbreaking album "From Then On."

Leroy's sound has also graced some top choice labels such as A State of Trance, In Trance We Trust, Pure Trance, VANDIT Records, and Who's Afraid of 138?!
