

Lo-Fi Hip Hop is the brand new offering by Killer Tone and provides you a library with carefully programmed dusty sounds and crackly samples and loops.

The pack has everything you need to produce that specific old school dusty hip hop vibe with analog processed chords, impressive synthleads, smokey loops and vibes.

Our team has dived into our hardware equipped studio and made this exceptional melody lines, chord progressions, dirty drums and basslines, processed by vintage outboard gear.

Lo-Fi Hip Hop contains:

5 Full Construction Kits

10 Piano Loops

6 Bass Loops

12 Drum Loops

16 Synth, Music Box, Strings, Pluck Loops

5 Top Loops

22 Midis

76 Total Files
