

Lofi Beats welcomes you home. Intimate lofi melodic samples blend with emotive vocals, fuzzy synths and saturated drum samples to create the warm sound of homegrown hip-hop instrumentals. All inspiration, all royalty free and ready to drop into your DAW or sampler of choice.

This pack is perfect for Hip Hop, Chillhop producers. Get inspired with vintage melodic sounds like Synth, Bass, Instruments and Atmospheric and put it together with lofi drum loops and one shots. Sounds fx's and vintage vocals will fill your song perfectly. Midi files are also inside.

If you're into the lofi scene and aesthetic then you'll know the vibe. 24/7 chilled youtube streams, beats to study to and jazzy nostalgic origins.

Every loop/midi in this pack has been Key-Labelled/Tempo Synced. Designed to perfectly inspire and compliment Lofi Hip-Hop, Chill Hop, Downtempo Trap and Dusty Electronica.
