

Audentity Records is proud to present: Lofi Soul Instrumentals, a production tool packed with a total of 293 quality and usable samples & loops aimed at the Lofi Hip Hop & Soul market.

The pack is filled with orchestral influenced tools: Cello Lines, Fender Rhodes and Wurlitzer loops, Electric Bass Loops, retro synth melodies, orchestral full layers, funky basslines, song starters and much more.

All Loops are played by real cello and orchestral members from The United Kingdom, listen to the amazing expressive articulations, which can never be archived by romplers or sample players.

These packs has been produced by real musicians and will give you something fresh and extraordinary for your productions.

We added a folder with song starters, which combine all the elements in the pack, will give you a great inspiring start for your next production.

Looking for some really authentic samples and loops? Look no further!

All chopped and processed, ready to be dropped in your DAW or samplers.
