

Add some unique layers of sounds to your productions with our latest FX and Ambient sound library. Loophole will keep the creative flow going. Designed to deliver a unique dynamic experience from tense buildups, melodic orchestras, emotional ambiences and more.

Loophole is ideal for use in film scores, classical compositions, or even perfect for sampling into other genres like Future Bass, Techno, Trap, EDM and more.

Coming in at over 300MB of vivid and emotional orchestral layers, broken down into over 100 loops and samples. Also, including an exclusive handbook with production tips to learn more about designing ambiences, layering, and track mixing.

Contains:

- 25 Ambients
- 75 FX Samples
- A Producer's Handbook
