

Cloudy Samples is proud to present the "Lucid Drums" - collection of drums, percussion samples, mesmerizing sounds and FXes, coming with vocals and chants. Perfect for chillout music, but will also fit other electronic genres like hip-hop and trap. Crafted carefully for an instant inspiration and ready to be plugged into any machine or DAW. These pounding kicks, tight and percussive claps, classic hats, huge crashes, clean snaps, tough snares and creative percussion elements will make your tracks better.

Everything is 100% royalty free, cleared & release ready. Categorized in folders for an easy access, delivered as 24-bit, 44.1kHz WAV samples. Don't miss the opportunity to grab this outstanding set of sounds.
