

Cloudy Samples is proud to present "**Lunar**" - collection of chillstep drums, midis and sounds for your next soothing production. In this great expert product, we focus exclusively on the perfect pure chilling mood. This pack comes with a variety of different sounds & song sections, with samples, presets, MIDI constructions and WAV loops provided. Inside this refreshing pack you will find samples created with maximum precision and made with using extraordinary tools. If you are looking for inspiration for your chillstep productions, this package is the right thing for you.

The additional Ableton Live 10 template shows how to create a professional track in the style of emotional chillstep. You will be able to dissect the overall song structure. It includes a complete arrangement with effects, MIDI data, automation, samples and presets. Take apart and learn from the drum programming and processing. Learn to program the rhythm and beats like all the best. Discover how we programmed the beats and melody by midi and sample usage. This template can be used as a base for your upcoming tracks or as an educational and inspirational tool. All sections are color-coded and named correctly so you know exactly what you are looking at. Even if you're not an user of Ableton Live, you will find all of the loops, samples, MIDI sequences, WAV patches and presets exported separately in the folder!

All of these sounds are 100% Royalty-Free, so once downloaded, you can use them in your commercial releases without having to pay any hidden costs.

Please Note: To access presets and template, you need an up to date Reveal Sound's Spire and Ableton Live 10 or higher.
