

Audenty Records is back with Future Soul 5, this 5th installment explores our musical vision in Soul & Rnb for the next generation.

On the look for dusty, groovy & relaxing with a bit of lofi touch inspirations?

This library contains a huge wide collection of juicy soulful RnB sounds, warm and organic electronics & atmospheric drones, chopped impressive chord and bass loops, smooth melodies, crazy new vocal chops, crackles, & Lofi ambient.

Our team has used some new studio different techniques to obtain a more authentic soulful feeling in this pack.

As always Everything is royalty-free.

This Sample Library will work cooperatively in any Chill Out, RnB, Soul, House & Downtempo genres.
