

Audentity Records proudly presents their very first Jazz-inspired sample pack, titled: Lush & Smooth Jazz Vibes - the ultimate collection for producers and beatmakers in need of high-quality Jazz and Lofi Hip-Hop samples and loops.

This sample pack contains almost 200 original loops and one shots inspired by the latest trends and sounds in the Lofi Hip-Hop and Jazz scenes.

Not only is the quality content usable for Jazz and Lofi Hip-Hop, but it is also recommended for producers who are more into RnB, Pop, Chill, Trap or Rap.

Inside the collection are beautiful, warm keys, lush electric guitars, deep drums, characterful bass loops, several brass melodic loops (sax, trombone, trumpets and tuba) and much more.

Produced and played by trained musicians, who have lots of experience in jazz bands, just check out the content and you will hear the difference.
