

Product Description

I always move forward with my own signature and story telling! This pack is perfect for those who are looking for deep emotions and unknown stories. Unlike the many many packs for stimulating emotions, this pack will take you to a world and space you've never experienced before.

In this pack, you will encounter unique stories, natural sounds, and special music, each designed to evoke and deepen your emotions. From unknown adventures to calming moments, everything is prepared for you. If you are ready to join this sensory and exciting journey, take action now and get your pack! In this pack, the current sounds are provided in FL Studio flp with spire preset for better vibes. (maybe like use it) !
