

HighLife Samples presents 'Mainstage Sounds', a collection that contains five Construction Kits one shot samples and Tonal Kicks. If you are looking for festival sounds, then this is a must-have pack.

All folders are key-labelled to make it easy as possible to combine sounds and create new ideas. Each sound has a corresponding MIDI file so you can change it to new ideas and add your favorite synth sound with total flexibility.

All sounds are Royalty-Free: Once purchased, you can use these sounds in your own commercial music releases with no restrictions.
