

The Ultimate Progressive House / EDM pack for 2017 is here: "Major Prog House"

This is probably the best Prog House pack we have ever released: 8 full Construction Kits with Presets For Sylenth & Spire & Midis, inspired by : Major Lazor, Avicii, Martin Garrix, Thomas Gold, Pryda, Axwell, Hardwell and more.

This amazing Sample Collection is full with ready-to-use production material which will work on any dance floor for any dance producer with Massive Main Room hooks, Euphoric drops and NU Skool 2017 Grooves that will push your EDM and Progressive Productions to dizzying new heights!

Each Sample in this collection has been perfectly tuned, eq-ed and effected, making them Dance Floor-Proof and ready to be dropped in your next studio production.

Everything is Royalty Free, so you are free to use and release everything on all your fav labels.
