

The Audio Bar presents 'Malibu', our new Future House template featuring influences from artists such as Don Diablo, Tiesto, Curbi, and more.

This template is perfect for any producer looking to create or improve their own Future House productions.

From this template, one can learn how to create those energizing leads, mellow pads, groovy drums, as well as several mixing and structuring techniques. Plus, we includes exclusive production tips from the producer behind this template.

The template contains top quality audio loops, one-shots, MIDI, and synth presets to give you full control of the track.

This template is exactly what you need if you are looking to improve your electronic music productions.

Specification, depends on the purchase option:
