

Manchester is one of the most upcoming cities in the UK, it is a city of all seasons, moods, people and music.

Youthful, diverse, energetic and bursting with energy; Manchester has it all, so wonder why our UK producer was heavily inspired by the city.

The pack's main focus is a diverse spectrum of dusty instrumental riffs, licks and themes.

Filled with dusty and lofi Organs, pianos, plucks, violins, Harps - Loops, as well as Bass & Drumloops, this pack has it all!

Explore "Manchester Lofi" and discover a huge amount of late-night Lo-Fi samples and loops, waiting to be dropped in your DAW or sampler.
