

Audentity Records proudly presents: "Marnik Arena Samplepack", produced by Italian phenomena, Marnik.

Fresh from their #1 hitsingle 'Mandala' with KSHMR, Marnik have made their mark as one of the most promising talents in today's scene as they quickly scale the Beatport charts, perform electrifying sets around the world, and garner the support of dance music icons.

Marnik are no strangers, they had huge releases with KSHMR, Steve Aoki, Blasterjaxx, Tony Junior, Lush & Simon and others on labels like Spinnin' Records, DIM MAK and many others.

Their very first samplepack on Audentity Records consists many of their famous sounds, which are One Shots, Leads, Basses, Drums (Snares, Kicks, Cymbals etc) and FX, Orchestra Fills, DrumFills, and Drumloops.

But most important, exclusively for this brandnew samplepack they made 5 new Construction-Kits, you can use them royalty free in your own tracks and release them on your fav labels. You can hear these kits in the music demo.

What's in the pack?
