

*Signature Techno Sounds by Mars Bill is packed with heavy sub-based bass loops, abstract textures and creepy dark noises, pounding drum loops, dark synth sounds, shuffling kick-free tops, FX & Glitch loops.*

*Produced by Intec & Drumcode Records artist Mars Bill – this package comes in WAV & REX formats, totaling 425 Mb of superior sounds & samples.*

*Mariano Sibilis, also known as Mars Bill is a London based DJ / Producer who whilst only in his twenties has already made a huge impact with a slew of dance floor targeted Techno and Electronic releases. His particular brand of precision-engineered 4/4 has been released on Drumcode, Break New Soil, Intacto, Octopus, Suara as well as Carl Cox's groundbreaking Intec label who released his massive 'Motorcity' 2 track EP.*

*His tracks have picked up DJ support from Techno luminaries like Richie Hawtin or Adam Beyer.*

*Explore this tech-driven collection now!*

*All loops are WAV & REX format, tempo & key-synced.*
